This is the power of the next wave of people on the verge of crossing the cusp between the developing and the developed, the underserved but hugely deserving population. Set to breach the barrier between being simply a beneficiary into becoming a value-adding member of Society.

We, at LTPCT, can relate to this phenomenon. The unique perspective that we have developed over the last 16 years of serving Society, gives us a deep insight into what India's grassroot needs are. That is why over the last year, we have worked on integrating technology into our solutions in a 'community-first' way. In the following pages, you will see some of our past successes that we hope to build on to create an even brighter future for all.

To us, technology is both a catalyst and a connector to drive the convergence of people, Strategy, Processes, Communities and Stakeholders. Powered by this convergence, we mobilize stakeholders and ecosystems to deliver a better quality of service with greater impact.

### **Our Vision :**

We aim to provide support, encouragement and care to needy students and deprived people in the society with special focus on rural communities and aim to bring in change in their lives in order to inspire them to help other among rural Community.

### **Our Mission :**

We are destined to support the needy rural communities with adequate Care, Protection, Rehabilitation support with innovative service initiatives to alleviate their lives economically, Socially, Culturally and Health wise.

**Chairman's Message :**

A humble beginning born out of my dream of initiating **Sri Lakshmi Ganapathi Vedic Foundation** to care the underprivileged, down trodden and the Needy Populace. The organization has taken the strata of success and accomplishment ever since its inception in the year 2009. The trust will always be ready to work to fulfil its mission and to be the change.

The foundation was laid with the compassion to engage as far as possible in emergency social activities such as relief works, helping the victims of natural calamities and other activities which will help and uplift the needy and underprivileged in our community. Today we are in a position of strength to be able to fulfil our cherished dreams.

**Sri Lakshmi Ganapathi Vedic Foundation** established in the year 2009. The journey has seen many milestones and there are many more to be surpassed. It has been an enlightening past and a very encouraging future beckons us. As we strive ahead with the unwavering support and commitment of the **Sri Lakshmi Ganapathi Vedic Foundation** family, no goal seems unattainable. I foresee higher targets and diversified inputs in newer ways of charity by our trust.
